

# Why ?

**Autrice et Interprète :** Karla Marina Pérez Cano

Yell outside  
Maybe in my mood  
Threw my joy away  
Am I spinning like a whirl?

My goodness, (good-ness)  
I know, something screwed  
I'm out of my mind  
You have destroyed all my world

Stay away  
Stay away from me  
And leave me alone  
I'm no puppet of your own

You deserve  
The eternity  
In the loser zone  
Exclude, reject and unknown

**Why, why are you doing that?**  
**Did I do something wrong?**  
**Did I? Leave me alone.**  
**Why, treating me like a brat**  
**You're no king, on your throne**  
**I know, where I belong**  
**Why?**

It's not fair  
It's not fair at all  
What you did to me  
When I was a lovely angel

How can you  
Be such a loser  
How can you be free?  
When I feel like a prisoner

**Why, why are you doing that?**  
**Did I do something wrong?**  
**Did I? You fool, you fool**  
**Why, treating me like a brat**  
**You're no king, on your throne**  
**I know, where I belong**  
**Why?**

Yell outside  
Maybe in my mood  
Stay away from me  
I am no puppet of your own
